IMPORTANT

- All standard attendance record sheets should be used in the activities and be placed at the venue for signing by attendees. Any change of information (e.g. date, time, speakers, topics, etc.) must be immediately reported to Academy and Colleges before event commencement. The Academy/Colleges may withdraw the accreditation and not accredit future activities of the organisers if they fail to do so. Individual CME certificates issued by organisers may not be accepted for CME record purpose.
- Please return the sheets to the respective Academy/Colleges within **TWO WEEKS** of completion of the activities. Attendance sheets of identical events held on different dates should be returned in one batch. Attendance sheets of regularly repeated series held throughout a year should be returned on a monthly basis. Failure to do so may delay the process of credit point allocation to doctors. (The sheets are used in the specified activity only. They should not be repeatedly used in other activities.)
