Dear Sir / Madam ,

Re: Invitation of Sponsorship

On behalf of the Organizing Committee, I am pleased to announce the **31st Annual Congress of The Hong Kong Orthopaedic Association**, will take place in the Hong Kong Convention and Exhibition Centre, Meeting Rooms N201 – N212 on 19 and 20 November 2011. This year the main theme is “**Foot and Ankle Surgery**” with special emphasis on Sports, Trauma, Arthroplasty and Forefoot Deformity. The sub-theme is “**Musculoskeletal Ultrasound**”.

This is the most important annual event that gathers orthopaedic specialists both from public and private sectors as well as trainees. Allied health colleagues will certainly join in this grand event of the specialty. Being an international event, participants from all over the world, especially mainland China and Asia-Pacific region, will join the meeting too.

The Annual Congress is really a golden opportunity for your company to promote her image and introduce her products and services to the orthopaedic fraternity.

Foyer, Large, Small Commercial Booths, Display Table will be set up in the meeting areas, cost ranges from HKD 39,800 to HKD 80,000. The charge of display table for book store is HKD 6,500 each.

From our previously experience, lunch symposia or workshops were very popular amongst delegates. You are invited to bid for and hold any of them during the congress.

Other forms of sponsorship, e.g. internet-line establishment and souvenirs are also welcome. Please contact me at skchan3@yahoo.com.hk or our secretariat at congress@hkoa.org for further enquires.

Please visit : www.hkoa.org for congress updated information.

We look forward to your support of the event and response to our invitation by completing the enclosed reply form and return to the Conference Secretariat either through fax or mail before 30 September 2011. **Priority of selecting exhibition booths locations will be based on sponsorship payments received dates.**

The organizing committee reserves the right to decide on the final acceptance of the applied sponsorships and allocation of the display location in the venue.

We look forward to receiving your favourable reply and thank you for the support from your company.

Sincerely yours,

Dr Sai-keung CHAN
