Message from Past President

Issue Apr 2013

by Dr. LEE, Yuen Lun 李淵舜醫生

Dear fellows members and associated members,

Spring greetings to you and your family!

Half year has passed since the last COA in Beijing when our young trainees did have the first opportunity to visit our capital and made scientific presentation.

It was the first time significant number of Hong Kong papers were accepted for presentation in COA while a series of scientific symposiums were run with invited speakers from Hong Kong.

Thanks to all of you who joined the meeting and helped contribution as HKOA members and fellows.

I have to make apology here again for the confusion in the process from electronic abstract submission to on site paper presentation in meeting days. It was because the scale and mechanism of HKOA involvement could not be clearly foreseen in the 2012 event with the newly secured precious chance of scientific presentations.

In 2013, current president and council prepare to engage the similar scientific presentation by our trainees. We aim at smoothing the whole process of abstract submission, registration and on site presentations. Support, coordination and sponsorships will be continued to be provided by HKOA and HKCOS to both trainees and fellows.

Spring season inspires growth of flowers and bright ideas and it is also time to enjoy your clinical and research results blossomed. Watch out for the announcement about COA 2013 from our association!

Association News & Notice

Local Meetings & Conferences

International Meetings

Wine & Dine

We are going to organise a Wine & Dine at the *Chairman* 大班樓 in Central on **17 April 2013**.

Thank You to Dr Tommy Ng, our Vice-President, he would help us to choose from a variety of Burgundy wines which pairs with delicious Cantonese food.

To join, please download the form (right click and save as) [here](#) and return to Suite 608 Central

Building, 1 Pedder Street, Central or fax to 2973 0833
