

Honorary Treasurer

November 2016

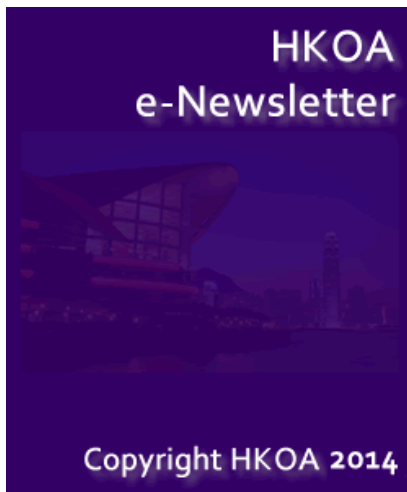

Dear fellows, members and associated members,

I would like to congratulate the success of the 36th HKOA annual congress. I have enjoyed the fabulous program this year. All the lectures are of high educational value and inspiring. Distinguished guests and speakers have shared their vision and knowledge. Old friends were gathered. New relationships and connections were established. The hardship and effort of the chairmen and organizing committee is very much appreciated.

I have joined the council as Honorary Treasurer for the past two years. I have learned a lot during this term of duty. I would like to take this opportunity to thank you all for your support. With the help and support from all the council members and the guidance of our president Dr. Bobby Ng, our association has thrived prosperously for the past 2 years.

The new council 2017-2018 has already been elected which will be under the leadership of Dr. Y.C. Wong. My best wishes to the new council.

Dr. Wong Yau Bun
