November 2015

Dr. CH Yan

Dear Fellows, members and associate members,

I would like to take this opportunity to say 'Happy New Year' to you and your family.

The HKOA had just celebrated its Golden Jubilee. The annual congress in November was a

great success! We had an unprecedented number of participants, overseas speakers and honourable guests to join us. The group photo at the opening ceremony was called 'centennial' by some members because most of the past presidents of the association had gathered with the presence of the Secretary of Food and Health, Dr. Ko Wing Man. Participants were all impressed by the plenary lectures during which the 'grand-fathers' talked about the history of local orthopaedic surgery and the younger generation talked about the present and future. The gala dinner was another highlight. The guests were amazed by the wonderful harmonica performance of Dr. Ho Pak Cheung and his band mates.

2016 marks a new beginning for myself as well as I have many new challenges and opportunities ahead of me. I wish all my colleagues and friends a happy, healthy and prosperous new year.

Best,

CH Yan
