50 YEARS

VP's Message

Issue
June 2016

Dr. SW Kong

Dear fellows/members,

Time flies fast, it is the second summer of my serving in HKOA council. In 2016, we have tried to arrange as many social activities as last year.

The first event was the HKOA soccer day which should have been held on 10/4/2016. This time we had surprisingly 10 teams applied to participate in the event, we had arranged everything, but unfortunately there was a thunderstorm warning from Hong Kong Observatory at the event day, the event was therefore cancelled. We will try our best to rearrange another day for our members.

The next event will be the dragon boat racing which is organised by HKMA and will be held on 7/8/2016. Last year, Dr Jackie CHAU from KWH helped us to form a team and we won last year's race. This year Dr CHAU will help us to organise the team again and participate in the competition. We hope all the best to our team and wish them to achieve a new record in the coming competition.

Another important event in Sept 2016 is HKOA Golf day, which will be held on 28/9/2016. It is a traditional event to HKOA golf lovers. We thank Dr HF CHENG (private practice) for booking the golf course and Dr Tommy NG(private practice)for organising this year's event.

Last but not least, I wish you all have a happy summer with your families and friends.

Dr. Kong Siu Wah
Vice-President of HKOA

Association News & Notice
